5. (Confidential - GLC) James Gehrig, Staff Director, Senate Aeronautical and Space Sciences Committee, asked to see me and expressed his concern and frustration at being unable to obtain any statement covering unclassified information having to do with the Soviet Soyuz 11 and Salyut spacecraft. Gehrig asked if we could be of any assistance on this. He was particularly interested in obtaining the ephemeris of the spacecraft. Mr. Brandwein subsequently prepared a brief statement which was given to Mr. Gehrig.

6. (Confidential - GLC) Encountered Mr. George Murphy, Joint Atomic Energy Committee staff, on the Hill and he asked me for any information we could provide him on the ChiCom nuclear submarine. I told him I would check on this and be back in touch with him.

7. (Confidential - GLC) David Martin, Senate Internal Security Subcommittee, called to say he was preparing a study on communist propaganda which he hoped would be released by the Subcommittee in the not too distant future and wondered if he could get some help from us on it. (He commented that USIA had given him some assistance.) He is interested in Soviet propaganda having to do with attacking the American defense establishment and other types of propaganda. He said if we were interested in assisting him he would be happy to show us the material as it is now drafted.
